## “Be the Change You Want to See In the World”

By Pastor Wayne Zschech

Mahatma Gandhi once said, “You must be the change you want to see in the world.” When he said it his country of India was under British rule and the change he and his fellow Indians were looking forward to seeing was the day India was free and independent. However, Gandhi also realized this would never happen on its own. The British wouldn’t just decide one day they were no longer interested in controlling a country with India’s natural and human resources. The people of India would need to change the British minds by living their lives as if they already were a free and independent India.

The theme for this year’s Youth Summer Mission Trip is also, “Be the Change You Want to See In the World,” but with a minor twist. We will focus on being the change God wants to see in the world. Why the change? Because frankly, the change I personally would like to see in the world would not likely be as comprehensively loving as God’s change in the world would be. My changes would still be tainted by a self-serving perspective that benefits me, otherwise known as “sin.” Maybe that’s why when asked by his disciples to teach them how to pray Jesus taught us to pray to our Father in heaven, “Your kingdom come. Your will be done.” Maybe Jesus knew that left to ourselves we prefer a kingdom and will that reflects our self-interests and not necessarily the will of God and the “kingdom life” Jesus’ life revealed while on earth.

Luther knew this too. It’s why in his explanation of these two petitions of the Lord’s Prayer he writes these explanations.

### Your kingdom come.

*“What does this mean? In fact, God’s kingdom comes on its own without our prayer, but we ask in this prayer that it may also come to us.”*

*“How does this come about? Whenever our heavenly Father gives us his Holy Spirit, so that through the Holy Spirit’s grace we believe God’s holy word and live godly lives here in time and hereafter in eternity.*

### Your will be done.

*“What does this mean? In fact, God’s good and gracious will comes about without our prayer, but we ask in this prayer that it may also come about, in, and among us.”*

*“How does this come about? Whenever God breaks and hinders every evil scheme and will – as are present in the will of the devil, the world, and our flesh – that would not allow us to hallow God’s name and would prevent the coming of his kingdom, and instead whenever God strengthens us and keeps us steadfast in his word and in faith until the end of our lives. This is God’s gracious and good will.”*

In other words, whenever we pray these two petitions we’re essentially praying, “God I not only want your kingdom life of love, life, and mercy to be revealed in our world, I also want to be a part of it!” Or, I want to be the change you, O God, want to see in the world.

So what are the changes we believe God wants to see in the world? A world without racism? Well, in our nation that also means a world without white privilege. A world without sexism? That will also include equal pay for equal work. A world without violence? Wouldn’t that include a world where violence isn’t glorified as it is in the entertainment and gaming world (OUCH! Now that would really affect me and the movies I like to watch!). A world where all people are accepted and loved for who they are? That includes how we accept and love members of the LGBTQIA+ community. A world with better air and water quality? That will mean relying less on carbon based energy (oil and coal), and changing the way we live our lives that produces so much waste.

Being the change I want to see in the world is good only so far as I am good. And I’m not good. Even Jesus said, “Only the Father in heaven is good.” So at least for us Christians, as we pray the Lord’s Prayer, the saying is really, “Be the change God wants to see in the world,” and our role is being that change in our lives first. It won’t come easy. Nothing worthwhile ever does. But imagine if this world reflected God’s will and kingdom life even a fraction more than it does today. You don’t have to imagine it. We pray we might be a part of it. And in July we will do just that as we build a home for a person who lives in substandard housing under the direction of Habitat for Humanity. Pray for us. We will be praying for you. Be the change!

## 23 Youth/6 Adults Participate in Winston-Salem NC Habitat Mission Trip July 6-13

On Saturday, July 6 there will be 23 youth from Our Savior, and the surrounding community along with four adults, who will be heading to Winston-Salem NC and work with Forsyth County chapter of Habitat for Humanity. This will mark the first time working with a different chapter of Habitat in North Carolina and the group is excited about the new possibilities. The Pasta Dinner raised \$1,300 toward the HFH donation of \$4,900. The Youth Mission Team is so thankful to those who supported the Pasta Dinner fundraiser in May.

The theme for this year is "Be the Change You Want to See In the World" and we will explore how our actions, no matter how big or small, all contribute to God's Kingdom and will breaking into this world. We do not know what work exactly we will be doing at this time, it may range from framing, to siding installation, handicap ramp construction, painting or landscaping.

Please keep our group in your prayers as we work in the hot and humid North Carolina heat this July and for safe travels there and back.

### Save Your Can Tabs!

## A Music Note From Your "New" Interim Music Director

It feels strange to be writing an introduction to a congregation that has already felt like my family for the last seven years! I hope that as you will welcome me as warmly in this new role as interim music director as you did back when I arrived as "the new organist." I am delighted to be using my past conducting and directing experience from both my schooling and former work to work with our wonderful choirs. I have also learned a lot from Austen, for whose leadership and service I am very thankful. Although it has been since J. Bert Carlson that LCOS had a music director doing all musical roles, I am excited for this challenge and already have many ideas. If you have any suggestions or feedback at any point, please let me know! I am a big believer in collaboration and ideas exchange. I am looking forward to serving, singing, and ringing together!

## Pauline Worusski to Serve as Interim Director of Music/Choir Director/Organist Bob Dempsey Hired as New Bookkeeper

With the departure of Austen Wilson at the end of June for a new call in Florida, the Worship and Music Committee, along with the Personnel Committee, met in May to discuss how to best address the vacancy. Pauline Worusski came to Our Savior in 2012 to serve as organist and accompanist while working to earn a second Masters of Arts at Westminster Choir College after receiving her first from Emory in GA. Since then she has taken over direction of the Cherub Choir and serves as the Assistant Director of Music. After discussing

the possibility of combining the two positions into one on an interim basis for one year to determine if it works for Our Savior's music ministry, the Personnel Committee has recommended, and Council approved offering Pauline Worusski the full-time position of Director of Music/Choir Director/Organist to begin as of July 1. We look forward to Pauline's direction of our music ministry in the coming year and are so thankful to know the continuity of our thriving music ministry is in such capable and well-known hands.

Additionally, with the departure of Darlene Haines as our part-time bookkeeper we needed to look no further than our own new member Bob Dempsey, who is retired and has a background in accounting. He has already received instruction from Darlene as well as Treasurer Paul Knauer on how Our Savior's bookkeeping and bill paying operates and is acclimating well to the position. Welcome Bob!

**Pack-A-Sacks for IHOC (Stacey Shaw):** The Social Ministry Committee will be collecting school supplies for IHOC (Interfaith Homeless Outreach Council) this summer, to be distributed to homeless children in South Jersey. Shopping backpacks will be available April 28th, they are due back August 18th. Contact Stacey Shaw if any questions. [slsmickmouse@verizon.net](mailto:slsmickmouse@verizon.net) or 856-310-0045

## Can We Count On You???

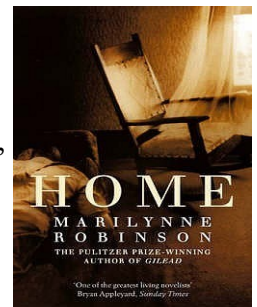

We are in need of a few more counters. Counting takes place after the 10:30 Worship and takes about 1 to 1-1/2 hours and of course, the more counters we have the least amount of time it takes. You would only serve 1 month out of the year or you could be a sub. Surely you have 5 to 8-1/2 hours a year to aid in the ministry at Our Savior. If you are a member and can count please contact Shannon Foskett: 856-904-1828, [sgfoskett@yahoo.com](mailto:sgfoskett@yahoo.com).

## Looking Ahead to the Fall with Sisters in Spirit

The LCOS program year is winding down, but Sisters in Spirit already are thinking about next year's events. We're always looking for new ideas for activities, so spend some time this summer brainstorming. Then mark your calendar and join us on Friday, September 20, 7:00 p.m. at the home of Deb Tredinnick. All women of the church and friends are welcome as we plan our events for next year.

Hoping to do some reading this summer? Our book group discussion of *Gilead* by Marilynne Robinson was well attended, with many of our readers eager to get the author's follow-up novel, *Home*, to find out what happens next. So start your reading now and join us in a discussion of *Home* on Friday, October 4, 7:00 p.m. in the LCOS Parlor. You've got the whole summer to read it!

## Include MFH in Your Summer Meal Planning

Picnics on the beach, barbecues in the backyard, potlucks in the park-- in addition to friends, family, and fellowship, food is a major ingredient of summertime fun. But at its most basic, food is sustenance, which Lutheran Church of Our Savior provides weekly to 15 women on a journey to freedom from addiction to drugs and alcohol. **While musing over your summer menus, please consider adding a meal for My Father's House. As of this writing we have only one week covered in July and August, leaving eight weeks open. Sign up today in the Narthex or online at <http://bit.ly/MFHdinner>.**

Meal deliveries can be made Tuesday 9 am-4:30 pm. MFH is just 15 minutes away in Gloucester City. Or delivery arrangements can be made, just have your labeled meal in the LCOS pantry fridge by noon Tuesday. Contact Michele DiGirolamo at 856-905-5098 or [michele245@gmail.com](mailto:michele245@gmail.com) with any questions.

Many thanks to all who cooked and/or delivered meals in April, May, and June, including Sandy DeDonatis, Jeanne and Juhan Runne, the Gralish-DiGirolamo family, Judy Caravelli, Danielle Deery, Tracy Stiefel, Jeanette Jelonek, Sally Cottone, Kate Zschech, Jane Evans, Nancy Dempsey, Millie King

### Moving? New Phone Number? New E-mail Address?

Please keep the church office updated with any changes.  
Thank you!

### SHHH! Please Respect Those Quietly Preparing for Worship

Prior to worship and during the Prelude there are those who practice quietly preparing their hearts and minds for worship while seated in the pews. Please respect their need for a hushed environment and engage in fellowship conversations in the narthex outside the sanctuary prior to entering for worship or waiting until worship is over rather than in the pews.

This month's Kudos go to **Millie King**. Trying to list all the things Millie does for LCOS is nearly impossible but let's try. This year she was elected to Church Council as the Congregational Resources Chair. Every week Millie comes into the office to file and she helps assemble the monthly Messenger. She makes meals for My Father's House, the Lenten Soup Suppers and Bridge of Peace every month. Millie is a Sunday Offering Counter, Greeter, and an Usher. She is a member of Sisters~In~Spirit, Mission Quilts and attends Bible Study every week. Is that enough yet? No! She is a pantry stocker, packer and deliverer and she bought special items, which we rarely have, like skin sensitive, fragrance free soap for one of our Pantry family members who has a lot of allergies. I think that about covers it, maybe. I'm tired just thinking of all these things but not Millie!!! Thank you for all you do for the ministry at LCOS and the community!
